Dear Mrs Mauley

Sorry for delay in answering yours of April 3rd. We were getting ready for the New show at Club - Having to stay there day and night did not leave me much time.

In regards to the duties you mentioned in your letter I am sure I'm capable of doing them. I have in the past for the Renaissance and for the past three years for Hines. I keep a daily report of all monies taken in and expenditures which I send weekly to his Acc't. Also releases to the papers.

While with Bob, I sent a weekly report to Miss Ballant, his Secy. I am sure she wouldn't mind doing this for you which should not cost very much. This would be more convenient since I have to travel

with the team.

My Salary with Hines, is \$150.⁰⁰
Weekly while on the road such as
Theatres or doing one nighters. On
locations or while the band is
off \$100.⁰⁰ Of course I pay all expenses
other than rail road fare.

In regards to my salary I
would accept \$100.⁰⁰ net weekly
without tax deductions which is not
much since we are allowed \$7.⁰⁰ a
day for traveling expenses plus my
5 dependants.

I assure you it would be
a pleasure working for you again
Thanks for your kind thoughts
and consideration.

Very truly yours
Earl Hines
